Recommendation from Mehdi Sarmi

He/She worked with but in different groups

Hi It is hereby confirmed that Mr. Saeed Safaei was one of the most hardworking, talented and motivated students of the Computer Engineering Department during his studies. They have also taken the above-mentioned courses with me and in all these courses they have been among the most prominent and distinguished students. I have no doubt that in the near future we will witness the flourishing of his amazing talent under the shadow of perseverance, hard work and trust in God Almighty. With great respect, Mehdi Sarmi Email address aliasghar.dorri1390@gmail.com
